

Stamp Adventures: Unleash Your Creativity!

Famous faces & events: Dive into history and design a stamp featuring a famous person or event you've been learning about. Just like real stamps, yours can tell amazing stories from the past!

Wonderful west: Try including something you love about Western Australia! It could be an animal, a place or even the weather! Stamps often have symbols that represent important things about a place or a person.

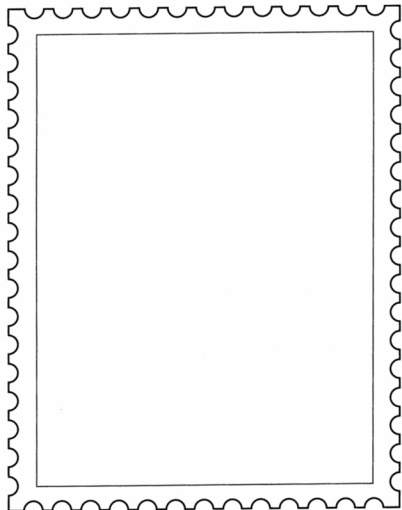

Animal kingdom: Dive into the wild world of animals with your own stamp creation featuring your favourite animal or a fantastic creature from your imagination. Real stamps often showcase the incredible diversity of wildlife, so let your creativity roar!

Milestone marvel stamp: Imagine a special stamp that celebrates important moments in your life like your first day of school, losing a tooth, riding a bike, or any other exciting achievement, just like real stamps that mark important events!

All about me: Lots of stamps feature famous people but what about a stamp that's all about YOU! Draw yourself surrounded by things that represent who you are and what makes you awesome.

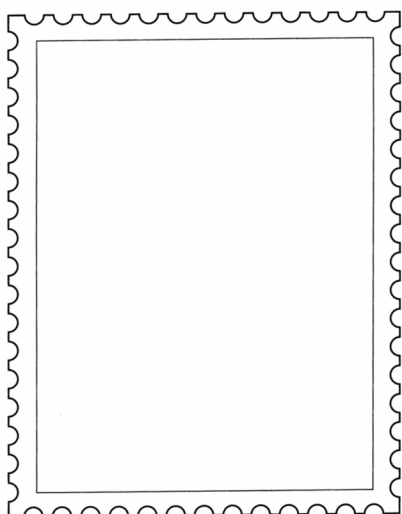

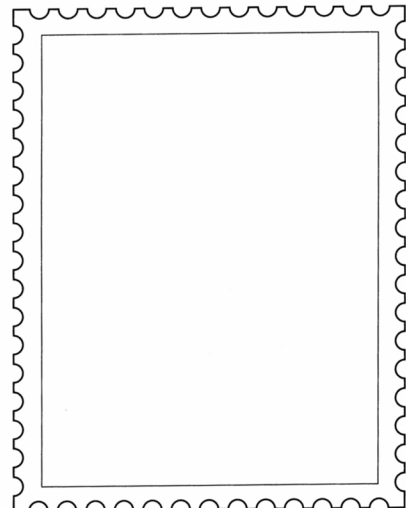

Future professions: Dream big! Craft a stamp featuring your favourite subject or the job you aspire to when you grow up.

Artistic expression: Put your creative flair to the test by designing a stamp inspired by your unique take on a famous piece of artwork. Stamps often feature beautiful art, and you can create your masterpiece too!

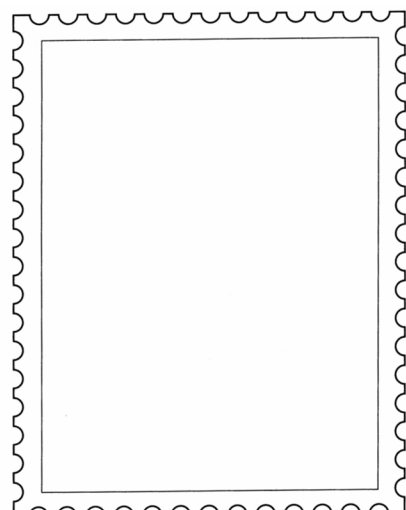

Draw a stamp of something you love about Western Australia! It could be an animal, a place or even the weather!
